How Would You Like Me to Personally Walk You Through the Exact Game Plan My Clients Use to Reach $100 Million, $250 Million and Beyond in Fee-Based Assets while Quickly Gaining Greater Personal Freedom… Absolutely for *Free?*

From the Desk of: Rob Brown

Dear Friend,

Let's talk about RESULTS for a second:

Every month, our clients rave about their wins.

Landing the new 7 and 8 figure clients they thought would be impossible…

Adding 5…10…20 (and more) thousand dollars in annually recurring revenue each and every month…

Generating more high-quality appointments then ever…

Getting their life back by gaining control over their time…

In fact, if what this client said is any clue…

My income went up over $100,000 overnight (actually 90 days) from one project we did together…and that's permanent, annually recurring revenue…a little joke I've had lately with Rob, it's like: 'You're right again'.

The only question you need to ask yourself is, **"Do I want to hit my revenue and personal income goals in 2018?"**

If the answer is YES, then I'd love to share with you how we're getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

Right Now, You're Probably Stuck on One of These 3 Things...

You want to get more leads, referrals and clients flowing into your business. The RIGHT people, who are thrilled to work with you, and who see you as the "Rolls Royce" of financial advisors...

OR...

You want your financial planning and investment process to command a premium price. You want to land new ideal clients who generate $5,000, $10,000, or $20,000 or MORE in annually recurring fees...and you want it to happen consistently, like clockwork, so it's 100% dependable and predictable...

OR...

You're working too hard and you want to streamline your business, so it runs like a well-oiled machine...you can unplug, relax, and have a sales process that does the work FOR you so that you can spend more time with your loved ones WHILE you get excellent results for your clients.

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make it a reality...

...and we'll do it for FREE.

Consider this:

These are the kinds of results we get for our clients every single day. If we can do it for them, why can't we do it for you?

Here's How to Get Our Help for FREE...

We've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the 3 things we mentioned above.

This plan is going to enable you to **hit your income goals this year...and blow right past them...**

...while **working LESS than you are right now.**

It's a bold promise...

But after generating BILLIONS of dollars in new fee-based assets for our financial planning, financial advisory and RIA clients, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

After all, our clients are raving fans *for a reason*.

Our stuff works. And I know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve in your business.

This invitation is going out to over 4,000 people right now, so as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully:

This is NOT for Everybody.
Here's Who I Can Help:

I'm VERY picky about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

1. You need to be able to provide REAL value for your clients, so that your offer can potentially support premium fees.

This offer is for advisors who have genuine expertise in financial planning and investment management that helps people solve the BIG problems of life. If you can do that, and you want more clients *without feeling the pressure to lower your fees*, while working *less*…let's talk.

But, if you're only selling "me too" financial advice because you really don't care about your clients or you're pushing high-commission products – no offense, but this is not for you.

2. You MUST be an action taker who follows directions. That means you're coachable, decisive, and resourceful. (Don't worry, we won't ask you to do anything weird or unethical.)

If you like to "kick tires" or sign up for things and not follow through, this is NOT for you. A 100% client success rate is VERY important to me. Please be someone who doesn't mess around and is serious about results.

That's it - if you meet BOTH of those requirements, we're good.

Here's What I Want You to Do Next:

If you meet the criteria above, and you'd like to talk about getting some incredible results for your business, then I'll happily set aside some time for you.

Here's what to do next:

Head over to **http://encorepartners.com/schedule-breakthrough/** and you'll see my calendar.

Grab whatever appointment time works for you.

Then you'll be taken to our quick application form. It's very fast and unobtrusive. I just need to know what you do for your clients, who your target market is, and what you want to accomplish.

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on your business.

WARNING - TIME IS A FACTOR!

This invitation is going out to 4,000+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.
